MACHINE OF THE MONTH!

MUDPRESS / MANURE SPREADER

SPECIAL OFFER!!

DISCOUNT OF PHP 108,900.00

ALL ORDERS MUST BE FULLY PAID BY FEBRUARY 29, 2020

- It can be used for spreading manure or mudpress with the capacity of 5 m³.
- The machine spreads 5 tonnes of fertilizer materials in 5 minutes, which can be dry or semi-wet, evenly and accurately with one man operation
- Designed with vertical mounted beaters to break up the manure and mudpress and to allow it to spread evenly on the field
- It has flotation tires to minimize soil and crop damage.
- Low maintenance
- TRACTORCO quick After Sales service with parts in stock.

SUGARCANE LOADERS FOR PHILIPPINE CONDITIONS

TAJFUN CANE LOADER DOT 50K made in EUROPE

PRICE: 1,145,000.00 – Buy your unit this season while stocks last!

SPECIFICATION:

- Made in Slovenia, Europe
- 360 degrees rotation for loading
- Grab has its own rotator so each bundle can be exactly positioned onto the truck
- 7.1 meters reach to load even the biggest truck
- Loads 250kg per grab
- Fits onto any tractor above 80hp with standard 3 point linkage
- High capacity PTO driven pump for fast loading
- Totally independent hydraulic system with its own tank, pump oil, oil cooler and controls
- Hydraulic folding legs for total stability on uneven terrain
- High quality welding and manufacture
- Folds compactly for fast transport
- Flexible and affordable

TRACTORCO have just delivered another batch of **TAJFUN Cane Loaders** to different cities of Negros Occidental. These Cane loaders are a big help to our customers for loading the sugarcane which is a problem due to insufficient *manugtapas* and *manugkarga*.

And, as part of our commitment to our clients we conduct **FREE training on the machine before collection and on the farm**. We make sure that the operators know how to operate the machine before we leave it to them.

We also offer a **FRONT GRABBER LOADER** which can fit on your FORD 4WD Tractor, Massey Ferguson 699, LS PLUS Series Tractor

PRICES from 770,000.00 to 786,500.00
